RECTOR'S RAMBLES

We are all wondering if lockdown will end this month. Again, I am sure there are some mixed emotions around that and many of us might feel rather hesitant about being in big crowds again.

What has been so lovely, in the last few weeks, is hearing the stories of people starting to meet up with friends and family after such a long gap. The simple pleasures of being able to relax in your home and just spending time with people you haven't seen for ages is a real pick-me-up.

Another joy is being able to sit out and enjoy our green spaces in the summer weather, although rather like Goldilocks and the Three Bears it is often not the perfect temperature for all of us, too hot, too cold and occasionally just right. I have decided my garden needs a pond, not a deep one for fish but a wildlife pond, with a very shallow end for hedgehogs as I saw one in the garden last year and would love to encourage them. Hopefully it will appear by the Autumn (no I am not doing it myself) and I am fascinated to see which creatures will use it. I am even wondering about putting a camera nearby so I can watch what appears. Seeing all the different creatures that appear in my garden is fascinating, again the wrens have nested and the first chicks have fledged.

Other areas of diversity are found in our churchyards. The Church of England has launched a project suggesting we survey our Churchyards to find out which creatures make it their home. If there is anyone who fancies helping on such a project let me know, particularly those who are good at identifying plants, insects and especially bird song. Nature has given us so much over lockdown and it feels right to give something back and see if we can help the biodiversity around our churches.

Many of the psalmists celebrate the wonders of creation, for example part of Psalm 65 says: "The grasslands of the wilderness overflow; the hills are clothed with gladness. The meadows are covered with flocks and the valleys are mantled with grain; they shout for joy and sing". It is a lovely picture of creation celebrating.

One garden pond, or knowing what is in the Churchyard will not change the world but it is another step along the way in helping protect the wonders of God's creation all around us.

Rev. Chris

A TIME TO LEARN

“I am always ready to learn although I do not always like being taught,” wrote Winston Churchill. I think many of us would echo that thought!

A huge ‘thank you’ to our teachers and all who support our schools! There has been a tremendous effort across our diocese to ensure our children have been able to continue their education during lockdowns and the need to restrict normal practice. Not only have the children been learning but teaching staff have also been going ‘back to school’ in order to find new means of communication.

Learning online is a challenge. Those of us who are spending many hours in Zoom rooms online these days can vouch for that. It’s tiring! And it is not just our children who have found it so.

As the Church emerges into this ‘new normal’ we have the opportunity together to learn and discover new things, new gifts, new ways of being the people of God. It is the same good God, the same story of His love to share with others, but there’s a new landscape. How might you and your community respond to that? What have you learnt in this time? And how might that learning change you and the way you do things?

“One learns from books and example only that certain things can be done. Actual learning requires that you do those things.” (Frank Herbert)

Every blessing, *Bishop Ruth*

GIVING BACK TO OUR SCHOOLS

Teachers and headteachers have been supported by a dedicated community of school governors. Since January, we have been appealing for more volunteers to become governors in our church schools and while some places have been filled, schools still have vacancies to fill.

Governors are crucial to the successful running of schools, offering a variety of skills and knowledge to support the overall operation of the school. Schools are looking for governors from all walks of life, could you have something to offer?

You can find more details from info@governorsforschools.org.uk or from our local schools.

PRAYER FOCUS

At the end of another strange school year with all the disruption that the Covid pandemic has brought, we think of the children and students leaving their classes with teacher assessments rather than exam results. We pray that their futures may not be too adversely affected by this year's experience, that they enjoy a restful summer and then successfully meet the challenges of the next stage of their lives.

PSALMS

This month's Psalms include praying to God for mercy and help and praise and thanksgiving for his greatness and goodness.

The psalms that can be read on Sundays in July are:

- 4th July Psalm 123
- 11th July Psalm 85: 8-end
- 18th July Psalm 23
- 25th July Psalm 145:10-19

BENEFICE BIBLE STUDY GROUP

The Benefice Bible Study is continuing fortnightly on Zoom on a Monday morning at 10.30am. If you would like to join us, you would be very welcome; just email butlerchristine19@gmail.com to receive joining instructions.

ABOUT PEOPLE

We send our good wishes and prayers to anyone who is unwell at the moment, whether you are at home or in hospital. We remember those receiving treatment and those awaiting the results of tests.

We are incredibly aware that separation makes bereavement even tougher at this time and our thoughts and prayers are with anyone who is grieving the loss of someone they love.

*Thank
You!*

CROSCOMBE SCHOOL

A huge thank you to everyone in Years 5 and 6 from all the church family. The class did some amazing Pentecost paintings which we have displayed around Croscombe Church. They have provided a great splash of colour which has been hugely appreciated by everyone.

Many thanks to all those who supported our stall at the Pilton Jumble Trail. Jenny and I were overwhelmed by people's generosity which raised more than ever for the **BHOPAL MEDICAL APPEAL**. Thanks to John Shearlaw for organising this brilliant event and may the sun shine on all future trails as it did this year. *Fiona Case and Jenny de Gex*

MEMORIAL GROVE, DINDER

It's a sad but inevitable part of life to lose old friends and neighbours. They may be gone from our daily sight, but they are far from forgotten.

In Dinder we decided to create a Memorial Grove to remember and celebrate these loved ones from our community. Thanks to kind co-operation from Dinder and Croscombe Cricket Club and the Trustees of the Dinder Estate, we were able to plant our trees along the southern boundary of the village playing field. Forester Oli Frost advised us on which native tree species would be appropriately sized, hardy, biosecure and productive of fruit and flowers for the birds and bees. We agreed on hawthorn, rowan, whitebeam, field maple, wild cherry, crab apple and hazel.

Planting Day was 31st March. A total of 39 trees had been ordered by residents of Dinder past and present, and Oli Frost had prepared the ground. The trees were planted by their sponsors with much merriment and some tears. The Memorial Grove ribbon was officially cut by Margaret Bancroft, whose late husband Allan was a very well-liked and respected gardener in Dinder for over fifty years. It was wonderful to see dozens of Dinderites, past and present, gathered from far afield for the celebration, and it gave us a glimpse of hope for a better and less socially distanced future just round the corner.

We are pleased to see that the trees are flourishing, and we look forward to planting more trees to keep this momentum going.

GLASTONBURY FESTIVAL EVENTS

To help support both the Glastonbury Festival, local businesses and crew, we will be hosting Worthy Pastures campsite over the summer holidays and are working on plans for a one-day concert in September. We hope to give more information about the concert in the coming weeks once we have been able to develop the plans and consult further with councils and authorities. For the Worthy Pastures site, we will be keeping any disruption in the local area to a minimum by limiting numbers to an easily manageable level and spreading arrivals over 3 days each week. On-site requirements to limit noise and disturbance to both campers and local residents will also be in place. During the Worthy Pastures opening period from 23rd July to the 30th August please send any questions you have using the villageliasion@glastonburyfestivals.co.uk email address, or if you have an urgent concern please use the hotline number **01749 899 361**. The hotline will be monitored Wednesday to Monday 24/7 when guests are on site.

A.S.B.O. IN NEED

Many of you will know that A.S.B.O. is a small group of mature residents who willingly give up a few hours of their time every week during the summer to keep the byways and footpaths of Pilton passable and passably smart. You may have seen us around the village in our HiViz waistcoats, either hacking away at vegetation or, more frequently, engaged in serious discussion (usually concerning tea and cake).

By its very nature A.S.B.O. loses members from time to time and sadly now is one of those times. Consequently, we are seeking new members (male or female) to join us and rebuild the team so that we can do a better job of tackling the vegetation which is trying its best to overrun some of the many and wonderful paths around our parish.

Our working season generally starts at the end of April and continues until the end of the growing season, normally the end of September. We meet once a week on a day and time to suit as many members as possible and a couple of hours of “work” is generally followed by refreshments and idle chat in a member’s garden. Being generally in the evening of our lives we don’t appreciate being either cold or wet so our schedule is very much weather dependent.

If you have some time to spare and would like to join us please call me for a chat about what you might be getting into!

THE MAGIC OF SONG!

The sound of Village Voices – meeting to sing outdoors for the first time in sixteen months – resulted in an astonishing natural fly past that proved quite a distraction. On the cue of “Oh little bird” two of the largest raptors, red kites, flew straight overhead, followed by more and more, until nine

or ten were circling around and soaring on the thermals in glorious golden evening sunshine, uplighting and spotlighting their bodies and huge 5ft wingspan. A wonder of nature, as where did they come from? Where were they going? No-one had ever seen so many together, particularly not here in Somerset!

Village Voices used to meet regularly to sing for fun and pleasure plus the occasional concert and we hope to resume, once restrictions ease. For the time being, weather permitting, we are meeting outside in Pilton Chapel garden on Tuesday evenings from 7.15 pm.

New members are always welcome, so please contact Judith Freane (judithkarenfreane@gmail.com) to book your place.

WEST PENNARD SCHOOL

It was great to get back to some kind of normality this month, with our Year 5 and Year 6 children being able to go on their much anticipated residential. Unfortunately, Year 6's visit to Osmington Bay was rescheduled from September to Easter, but still couldn't take place due to the restrictions. Instead, we organised a day at Mill on the Brue. They had a fantastic time taking part in activities such as grass sledging, climbing and team building exercises. Last week our Year 5s were able to go to Kilve for three nights. They had an amazing time partaking in a variety of activities designed to challenge and build confidence and resilience.

This week we had our first live meet up with a school in Ghana that we have linked with through the British Council's Connected Classrooms Programme. Dormouse Class met with a class of similarly aged children in Hindayatul Primary School using Microsoft Teams. We used our webcam to give them a tour of the classroom and a flavour of the work that we do and they did the same. We look forward to meeting up again very soon.

Tony Wheat, Headteacher

CROSCOMBE CEVA PRIMARY SCHOOL

With the warm weather, the pupils of Croscombe Primary School have been able to enjoy the outdoors through play and learning, both in the playground and up at the school field. On Friday 18th June, the school participated in the Rainbow Run, a fundraiser for the Children's Hospice South West. All the pupils had great fun dressing up in bright colours to walk / run or skip 1km each. As a school we raised over £116 for this great cause! Please visit our website and look at our Latest News pages for more information about the children's activities.

We are also appealing for help from any keen gardeners! We have a wonderful garden allotment in our school field that has been looked after by two parents. Unfortunately, they are no longer able to help us maintain this plot so we are looking for a volunteer to take up their trowels and gardening gloves and help us with this project! If you are interested, please contact the school office on 343114. Thank you!

PILTON PICNIC NOT PILTON SHOW!

Plans are progressing for the Pilton Picnic or alternative Pilton Day on Saturday 4th September, subject to updates on lockdown lifting...

There will be free entry to the field from 1pm to 5pm, stalls opening at 2 pm. Please bring friends and families to a fun day on the Playing Field. Food, teas and drinks available or you can bring your own picnic, for which tables and chairs are provided.

Children's entertainments, sideshows, stalls will all be outside, so pray for good weather.

Instead of the traditional Flower Show we invite you to bring bunches of flowers to create a floral arch, and also to bring any fruit and veg you are happy to leave for auction at 4.30 pm. Let's make a different harvest display, celebrating a post-lockdown village get-together (cross fingers).

We hope the scarecrows will also come along to raise a smile!

Please check the Show website www.piltonflowershow.org.uk and Pilton Village Community Facebook page, as well as Pilton Show Facebook page for further details or for queries contact Jenny (890465).

Pilton Show Committee

PILTON SCARECROW COMPETITION "MY HERO"

Have some fun making a scarecrow, representing a real or imaginary character you like or admire: could be Wurzel Gummidge, Superman or even your family! Then display for two weeks from 15th until 30th August outside your home or in the garden, clearly visible to passers-by, for everyone to choose their

favourite. Entry forms will be available by contacting jackieinskip@icloud.com or printed copies from Pilton Co-op. Entries must be confirmed (no charge for entering!) by 7th August so that a map can be drawn, available for ALL to wander around and judge from 15th August. Please return completed digital entry forms to Jackie (as above) and paper forms to the box provided in the open porch at Hyde House, BA4 4BY (first on left on No Through Road to Worthy, off Pylle Road) Further details to follow on Pilton Village Community and/or Pilton Show Facebook pages and in August Roundabout. All scarecrows are then invited to the Playing Field to join the party for the Pilton Picnic on September 4th (we hope....) where prizes will be awarded.

PILTON CALENDAR “Flowers through the seasons in Pilton”

Deadline of 17th July fast approaches, so please now send your contributions, in low-res and in landscape format only (or croppable to this) to jennydegex@btinternet.com We will also contact regular contributors in July, so don't be surprised to receive an email! If selected we will then ask you for higher resolution for printing. We can't promise to include them all but may also make a display for the Show day.
