Dear City/Town/Parish Clerks,

I hope this email finds you well. We are reaching out to you on behalf of Somerset Prepared, a Multi-agency Partnership spearheaded by Somerset Council's Civil Contingencies Unit with an important initiative aimed at enhancing community resilience throughout Somerset. Your partnership and participation are crucial to the success of this endeavour.

In our ongoing commitment to creating safer, more resilient communities, we are launching a Community Resilience Snapshot Survey. This survey aims to assess the current resilience levels of towns and parishes in Somerset, identify areas for improvement, and foster a stronger culture of community resilience.

Your insights and perspectives are invaluable as they provide us with a comprehensive understanding of the challenges and opportunities within your community. By participating in this survey, you contribute directly to the development of tailored strategies and resources that can enhance the resilience of your town or parish.

This survey aims to:

1. Assess your Council's existing emergency preparedness and response capabilities.
2. Identify potential areas where additional support and resources may be required.
3. Foster stronger connections between your Council and the Civil Contingencies Unit.

Survey Link: <https://forms.office.com/e/98utZfLw9d>

We kindly request that you complete the survey by 15th November 2023. Your participation is vital, and we believe that by working together, we can create safer, more resilient communities that are better equipped to handle challenges and crises.

Thank you for your time and if you have any questions or need assistance with the survey or event registration, please do not hesitate to reach out to our team at SomersetPrepared@somerset.gov.uk.
